Viking School

April 28, 2021

Dear Families

We have learned this morning that a second person connected to Viking School has tested positive for COVID-19.

Our school remains open to in-person learning and we continue to follow all the protocols that are in place to help ensure our school continues to be a safe and healthy environment in which to learn and teach.

We do remind parents/guardians to please monitor their children carefully for any signs or symptoms of COVID-19. The Daily COVID-19 Checklist can be found [here](#). Please remember to complete the checklist each day prior to attending school and/or getting on the school bus. As a reminder, if your child has any of the symptoms of illness listed on the daily checklist, please fill out the online [Alberta Health Services COVID-19 self-assessment](#) or call Health Link at 811 and keep your child at home.

Thank you for your continued support and understanding. Our school family will get through this situation together.

Adam Madsen, Principal

Kelly Arial, Assistant Principal
