# Viking School

May 1, 2021

Dear Viking School Families

We have been notified that a fourth person connected to our school has tested positive for COVID-19.

This person is a member of one of the cohorts already in quarantine, so does not result in any additional people being exposed. This also does not change the length of the quarantine period for any students or staff.

Please continue to monitor your children and arrange a COVID test if symptoms develop.

We look forward to seeing Kindergarten to Grade 6 students in person on Monday and connecting with Grade 7 to 12 students remotely.

Stay safe.

Adam Madsen, Principal

Kelly Arial, Assistant Principal
